

REMARKS/ARGUMENTS

This Response is meant only to satisfy the Notice of Non-Compliant Amendment (the "Notice") mailed December 11, 2006. An attempt has been made to correct the status identifiers for the claims, as was requested in the Notice. However, it is apparent that the listing of claims submitted with the Response filed 9-28-2006 (which resulted in the Notice being issued) was incorrect and apparently was not based on the claims currently pending since the Response filed 2-16-2005 (note, for example, that claims 117 and 118 were already pending in a different form since 2-16-2005, but were "added" in the Response filed 9-28-2006. Thus, the status identifier of at least claims 117 and 118 has been corrected herein to meet the requirements of 37 C.F.R. 1.121, but at least these claims do not correlate with the actual claims that are pending at this time.

Prior to examination of the Response filed 9-28-2006, a Supplement Response will be filed to correct the errors and inconsistencies introduced by the Response filed 9-28-2006.
